Selma, AL 36701
334.418.4100

VaughanRegional.com

This 2024 Community Benefit Report is a snapshot of the many ways Vaughan Regional Medical Center (VRMC) contributes to the Selma area, even beyond the quality, compassionate healthcare we provide on a daily basis. We are Selma's largest healthcare provider, and we work hard to provide the services you need when you need them, close to home. That's why in 2024 we established

new service specialties in orthopedics and vascular care, opened an outpatient dialysis clinic, partnered with UAB Emedicine to create a TeleStroke program, and opened Primary Health Solutions, a new urgent care and primary care practice.

While serving as Selma's largest hospital, we also give back to the community as one of its largest employers, taxpayers, and charitable givers. We appreciate our strong ties with this community and are grateful to be entrusted with the care of those who call this area home.

Thank you for choosing our hospital and for allowing us to be your partners in better health and a better Selma.

Sincerely,
Michael James, CEO
Vaughan Regional Medical Center

In 2024, we...

added **8 providers**

invested more than
\$1.2 million in capital improvements

distributed a
payroll of \$25,250,977
to our 400 employees

donated more than
\$5.4 million in services
to those in need

paid more than
\$5.5 million in taxes

2024 Success Spotlight

Recruiting skilled clinicians to our hospital and community and supporting them in their new roles is critical to ensuring access to high-quality care across a broad spectrum of services. In 2024, we added five providers in areas that included Family Medicine, General Surgery, OBGYN, and Orthopedics.

Investments in our facilities – from infrastructure to the latest healthcare technology – ensure that our hospital can continue to meet the community's evolving healthcare needs. Last year, we spent more than \$1.2 million on capital improvements that ranged from an Endoscopy upgrade to Orthopedic surgery equipment.

Our greatest asset is our people, so we aspire to create an environment where talent is recognized, job satisfaction is valued, and our employees can effectively use their skills to provide high-quality care and service.

In 2024, we provided nearly \$200,000 in services to those in need of healthcare but without the means to pay.

We are proud to be a leader in the Selma area and our partnership with the local community is manifest in many ways, from being a large taxpayer and employer to being a supporter of several local organizations.

SPONSORSHIPS AND DONATIONS

It was our pleasure to be able to support several activities and organizations during the past year, including the following:

- » Alabama Hospital Association
- » Alabama Wildlife Foundation
- » Blackbelt Benefit Group
- » Boy Scouts of America
- » Central Alabama Child Advocacy
- » Distinguished Young Women
- » Evans Foundation
- » Local High School Sports Program
- » Selma Charity League
